EMAIL TEMPLATE: SEEK DONATIONS

Dear friends/family/colleagues,

On Friday 1st November 2019, I'll participate in Sleep Under the Stars; a community fundraising event in support of homeless and at-risk youth.

Raising funds for Sydney charity Stepping Stone House, the event seeks to raise $800,000 to accommodate and care for 21 young people for an entire year. Kids aged 12–24 who are experiencing homelessness or are without family support.

Did you know that 43,552 people aged 0-24 were homeless on 2016 Census night across Australia? That's 38% of the entire homeless population in Australia; all under the age of 25. To me, this is unacceptable.

I would love your support to help my team and I reach our fundraising goal of $[Insert Your Fundraising Goal Here] The money raised will help Stepping Stone House continue to provide a safe home, ongoing care and life skills development for young people who need it most.

To donate, simply go to my fundraising page: [Insert your page URL here] and click 'donate'. Every dollar counts and will go a long way to build a brighter future for homeless young people. Please feel free to pass this message on to your own networks and encourage others to get involved by participating or supporting Stepping Stone House.

Ending Youth Homelessness is the responsibility of us all. Thanks so much for your support!
